IR3 Gas Insert

IR Series Direct Vent Gas Insert

Napoleon® – Providing some of the highest infrared (IR) heat in the industry. Our new IR series direct vent gas inserts feature Napoleon's advanced infrared technology and flame modulation.

The compact size of the IR3 is perfect for smaller living spaces and features cost saving benefits of Zone Heating (heating the room you use most) plus the benefit of replacing an old drafty masonry fireplace with an efficient heating source.

Style, comfort and efficiency – the IR Series has it all.

Napoleon® Exclusive Features

-  • Fully battery controlled - no electricity required to operate the unit
-  • Fuel saving electronic ignition with battery back-up
-  • Clean face design with a 364 sq. in. viewing area
-  • Heat radiating ceramic glass
